

Dear Participants,

We are very pleased to invite you to participate in the 2nd International Natural Science, Engineering and Material Technologies Conference (NEM2022), which will be held at İğneada Resort Hotel & Spa, Kırklareli during September 15-17, 2022. The president of the Scientific and Technological Research Council of Türkiye (TÜBİTAK) Prof. Dr. Hasan MANDAL will participate the NEM 2022 conference with opening speech. The official language of the conference is English. Oral presentations can be presented in either English or Turkish.

NEM is the premier interdisciplinary platform for the presentation of new advances and research results in the fields Natural Science, Engineering and Material Technologies. NEM 2022 is an international conference that meets promotion of associate professor and academic assignment criteria. The conference aims to bring together leading scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of Engineering and Natural Sciences. The conference language is English. Prospective authors are invited to submit full papers following the guideline posted on the conference website nem2022.klu.edu.tr .Submitted papers will be peer-reviewed and prospective authors are expected to present their papers at the conference. We hope to see you in İğneada, Kırklareli, Türkiye during September 15-17, 2022 for what promises to be a memorable conference.

Yours sincerely...

ORGANIZING COMMITTEE
